Dear Proprietor,

Once again this year we will be conducting our state association's summer meeting in conjunction with the USBC State Association Showcase, May 29th through June 1st, 2009. Please look over the enclosed information.

If you attended last year you will know it was a fun packed weekend with many events both business oriented and pleasurable.

Starting off with Golf and Bowling on Friday, May 29th for early arrivals; Saturday and Sunday, May 30th and 31st, there will be meetings, seminars, awards banquet and Mini Trade Show on Sunday 11:00 AM to 3:00 PM with a beautiful buffet in the exhibit area. This will complete the joint state USBC and MoBPA session.

At the conclusion of the Mini Trade Show at 3:00 PM we will start the seminars that are only open to the bowling proprietors. The subject will be: "Energy Savings Increases Revenue in Your Center"! Hear some new ideas and tax benefits.

Once again we are planning a Poolside Party for dinner followed by committee meetings. (All present may attend)

Monday morning, June 1st, will start our BPA State Breakfast meeting with our guest speaker, State Representative Tim Jones.

We hope to have you on your way home by 12:00 noon with a box lunch that you can enjoy with you ride home.

Registration forms are enclosed along with hotel information. You can't beat the rate of \$59.00 a night at the Truman Hotel.

The only other expense that you will incur will be for the golf, bowling tournament, banquet and officers breakfast as these are run by MoUSBC. All Missouri Bowling Proprietors' Association functions are paid for.

I know some will not be able to come down early, but don't miss the Saturday night banquet. Kevin Toebben, proprietor of Plaza Lanes in St. Charles, will be inducted into the Missouri State USBC Hall of Fame and MoBPA will be awarding their Orscheln Pioneer Award to a deserving state proprietor, TBA. It would be great to have a good turnout of Missouri proprietors to honor these recipients along with a great dinner, wine and dancing.
